Apply any time to have your products evaluated

Announcing: Publication of ANSI Z21.84-2017; Manually lighted, natural gas, decorative gas appliances for installation in solid-fuel burning appliances

Class No: 2701 82, DECORATIVE GAS APPLIANCES - Manually Lighted, For Use in Solid Fuel Fireplaces-Certified to US Standards

To purchase the Standard, visit us at www.shop.csa.ca

Who is affected?

Manufacturers of manually lighted, natural gas, decorative gas appliances for installation in solid-fuel burning appliances.

What do you do?

1. This publication outlines certification revisions that do not affect your currently certified product designs.
2. Please contact CSA technical staff if you have questions or need information concerning this publication and how it applies to you.
3. If you would like to arrange for an evaluation of new products to the revisions, initiate a certification project by contacting our Client Services Centre at 1-866-797-4272. Please supply appropriate supporting documentation*. If testing is needed, we will inform you of the samples required.

*which includes technical information, company name, address, factory locations and CSA file number or master contract number (if assigned), and any other relevant documentation.

Approvals:

ANSI Z21.84-2017 was approved by the American National Standards Institute, Inc. on January 6, 2017.

The revisions in this standard supersede any corresponding provisions in ANSI Z21.84-2012 and are identical to the coverage found in the review and comment text dated December 7, 2016 and distributed during that period.

Major Revisions:

The revisions contained in this latest edition of Z21.84-2017 are editorial in nature and do not affect currently Certified products.

For questions specific to your file or products contact your CSA Group technical staff associate.
Go to http://www.csagroup.org/services/testing-and-certification/certified-product-listing/ and enter your Master Contract # and the class numbers associated with this Informs to view your certified products.
