Certification Notice
An Urgent Bulletin from CSA Group

Appliances No. 43
(Supersedes Notice Appliances No. 37, Ref No: N14-074)

Date: February 4, 2015

Effective Date: June 1, 2017
Apply Before September 1, 2016

Class No: 2831 52, HEATERS - Cooking and Liquid - Portable Type
2831 53, HEATERS - Cooking and Liquid - Stationary Type

To purchase the Standard, visit us at www.shop.csa.ca

Who is affected?
Manufacturers of electric deep fat fryers, frying pans, woks and other appliances in which oil is used for cooking.

What do you do?
1. CSA Group Service Delivery staff will contact you to address compliance with each revision as applicable to the product designs covered in your affected Certification Reports. In addition to updates to your Certificate(s) of Compliance & Report(s), testing may be required to comply with these revisions.

2. Please respond within thirty (30) days of receiving CSA Group’s “Application for CSA Certification Services” and “Quotation” communication. You must respond no later than September 1, 2016 in order to guarantee the update to your certification is completed by June 1, 2017. If testing is needed, we will inform you of the samples required.

Approvals:
Appliances currently Certified to a previous edition of the subject standard (E335-2-13 or E60335-2-13) are required to comply with the requirements of CAN/CSA-E60335-2-13:13 including Update No. 1 (2014) prior to the effective date. Appliances currently Certified to C22.2 No. 64 are not affected by this Notice.

Major Revisions:
See attachment 1

Background and Rationale:
CSA Standards in the 60335-series consist of one “Part 1” (60335-1) and several Part 2 Standards (E60335-2-XX). Each Part 2 is for a more specific product type and works in conjunction with Part 1 by accepting the content of the clause without change, or by adding to, amending or omitting it. The latest edition of the Part 1 is CAN/CSA-C22.2 No. 60335-1-11, which was announced December 5, 2012 in CSA Informs Ref No: I12-107, Appliances No. 21.

For questions specific to your file or products contact your CSA Group technical staff associate.

For technical questions on this Certification Notice
Contact David Briere, P. Eng.
by phone 416.747.2591, fax 416.747.4149
or e-mail david.briere@csagroup.org

In the event your models do not comply with the effective standards, arrangements must be made to bring them into compliance.
In the event we do not receive a response as to your currently certified models, prior to the above applicable effective date(s), the certification of such models will be discontinued.

Major Revisions

The following list describes the major revisions to CAN/CSA-E60335-2-13:13 including Update No. 1 (2014) from CAN/CSA-E60335-2-13:06.

Edition of the Part 1

- This edition of CAN/CSA-E60335-2-13 is used in conjunction with CAN/CSA-C22.2 No. 60335-1-11. The previous edition, CAN/CSA-E60335-2-13:06, was used in conjunction with CAN/CSA-E60335-1/4E:03.

Technical Changes in this Part 2

- Additional user instructions are required (7.12).

Note Regarding Update No. 1 (2014)

- The original publication of CAN/CSA-E60335-2-13:13 did not allow cord-connected household appliances that are intended to be immersed partially or entirely for cleaning to be class II. This was re-reviewed by the technical subcommittee and revised to permit these appliances to be class II.
