2831 83, HEATERS - Cooking and Liquid - Stationary Type-Certified to US Standards

Who is affected?

Manufacturers of commercial electric cooking appliances.

What do you do?

1. The revisions outlined in this Certification Notice will not require testing, but will require updates to your Certificate(s) of Compliance & Report(s). CSA Group Service Delivery staff will contact you to address compliance with each revision as applicable to the product designs covered in your affected Certification Reports.
2. Please respond within thirty (30) days of receiving CSA Group's "Application for CSA Certification Services" and "Quotation"

communication. You must respond no later than September 1, 2020 in order to guarantee the update to your certification is completed by May 1, 2021.

Approvals:

New and currently certified commercial electric cooking appliances are required to comply with the applicable new requirements published January 26, 2018 for Standard UL 197 (10th Edition) prior to the effective date.
