

Your Testing & Certification Provider is Your Choice

Simple steps for moving your testing & certification files

Are you satisfied with your current certification provider?

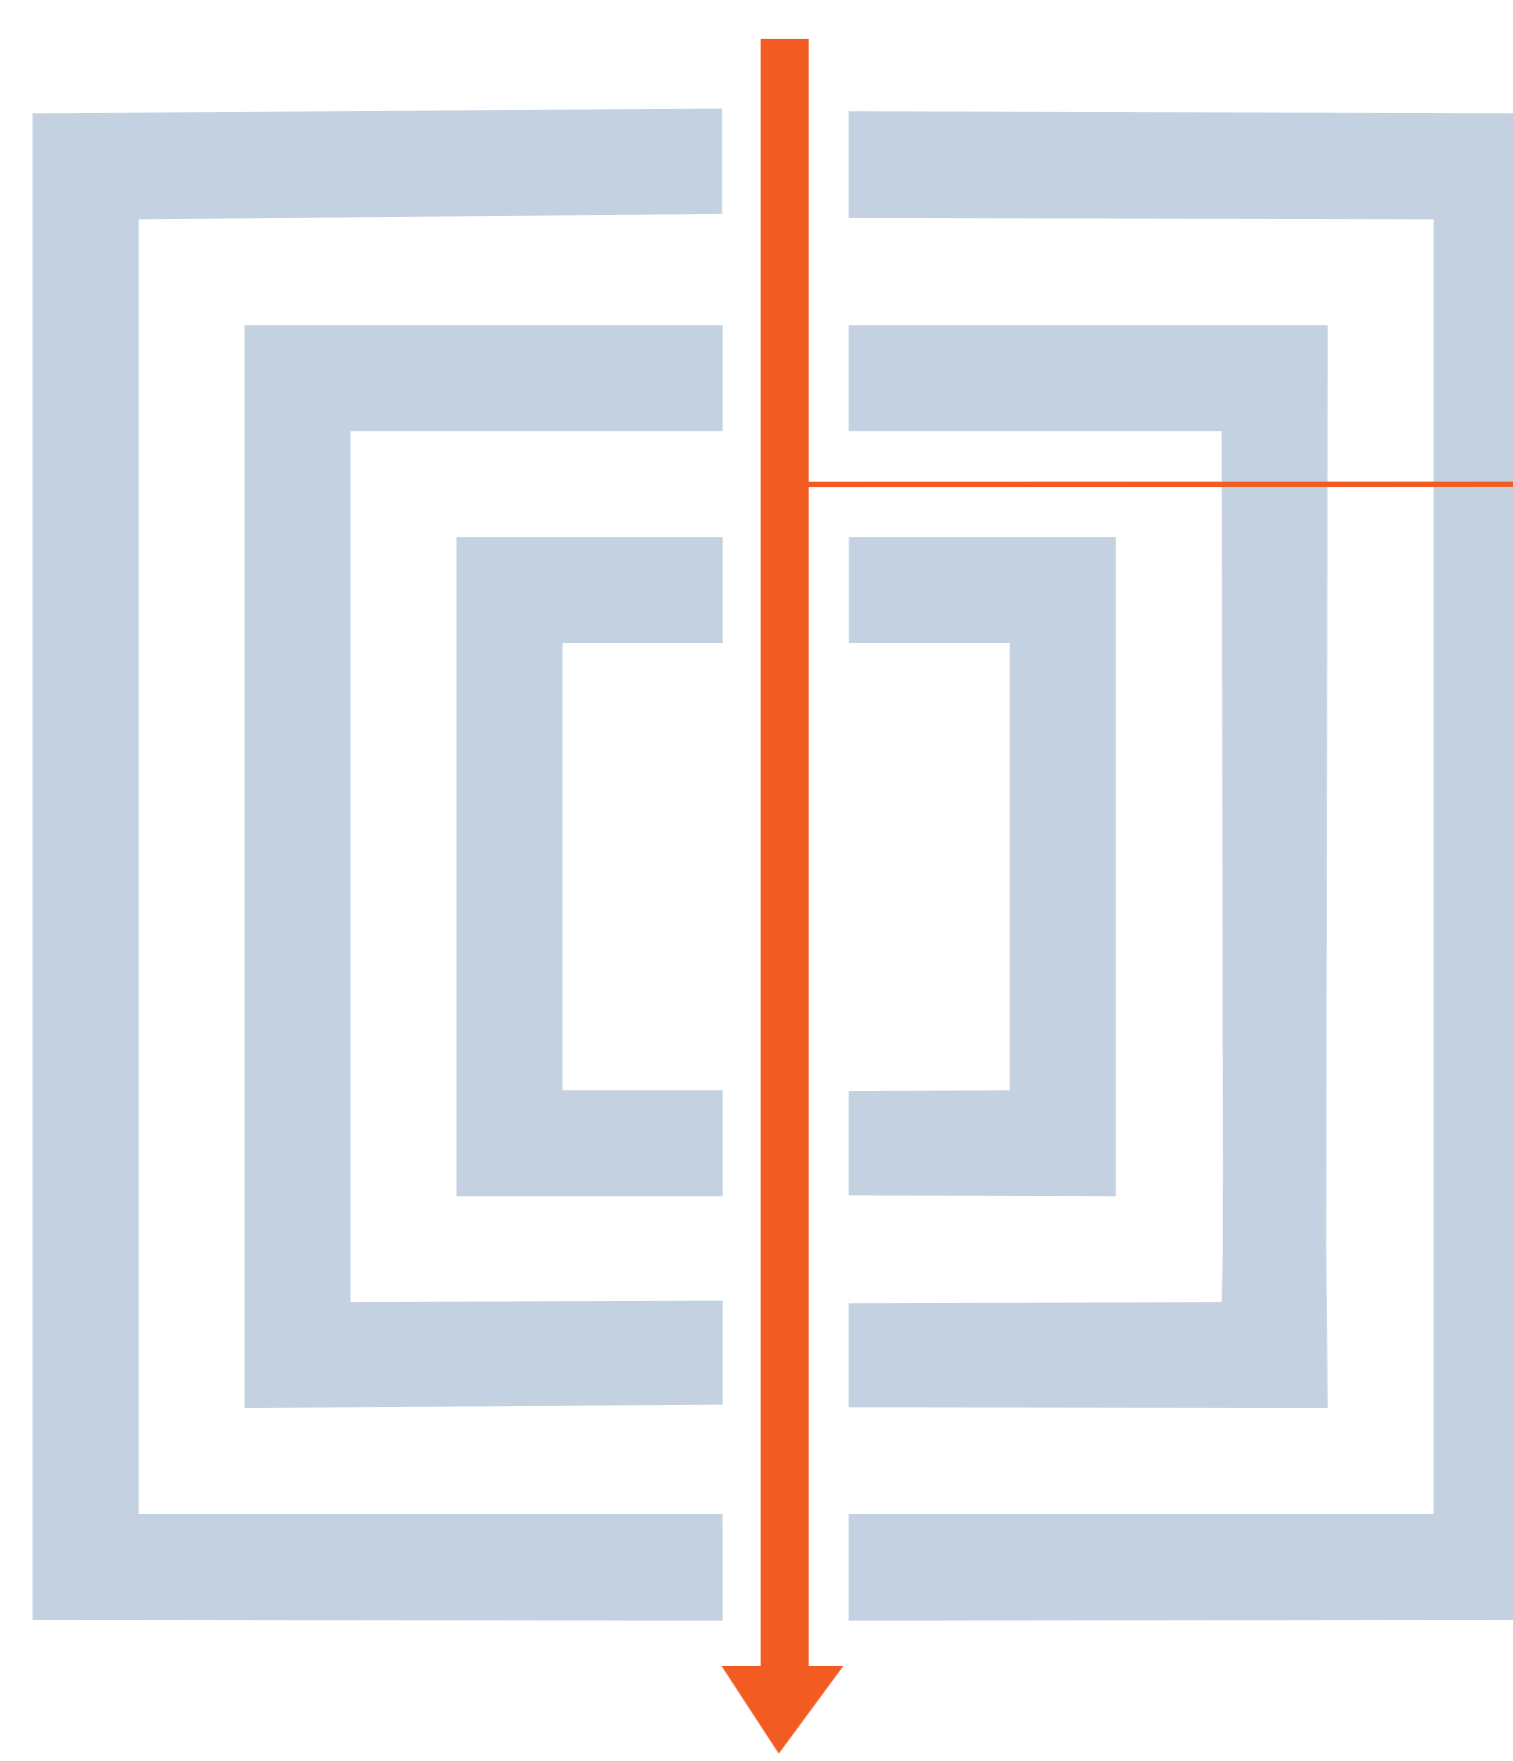

Do they provide clear guidance, regular communication and speed to market?

YOUR CURRENT PROVIDER

Your certification provider should help facilitate market entry of your products, not be a barrier to it. If you don't feel you are getting value from your current provider, why not switch to CSA Group?

CSA GROUP

- Trusted Advisor
- Facilitating Access to Global Markets
- Dedicated Account Management
- Technical & Industry Expertise
- Vigilant Anti-Counterfeiting Programs

Our team is dedicated to offering exceptional customer service, technical proficiency and improved service delivery performance.

Switching is Easy

Here's how it works:
