

CERTIFICATION Notice

An Urgent Bulletin from CSA Group

Electric Air Heaters No. 16

Effective Date: June 15, 2020

Date: May 1, 2018

Apply Before November 15, 2019

Announcing: Publication of Revisions to Standard UL 1278 (4th Edition), Moveable and Wall- or Ceiling-Hung Electric Room Heaters

Class No: 2811 82, HEATERS - Air - Portable Type - Certified to US Standards

Who is affected?

Manufacturers of moveable, wall-hung or ceiling-hung electric air heaters capable of receiving communication signals from a remote user interface (smart enabled).

What do you do?

1. CSA Group Service Delivery staff will contact you to address compliance with each revision as applicable to the product designs covered in your affected Certification Reports. In addition to updates to your Certificate(s) of Compliance & Report(s), testing may be required to comply with these revisions.
2. Please respond within thirty (30) days of receiving CSA Group's "Application for CSA

Certification Services" and "Quotation" communication. You must respond no later than November 15, 2019 in order to guarantee the update to your certification is completed by June 15, 2020. If testing is needed, we will inform you of the samples required.

Approvals:

New and currently certified moveable, wall-hung or ceiling-hung electric air heaters are required to comply with the applicable new and revised requirements published September 14, 2017 for Standard UL 1278 (4th Edition) prior to the effective date.

Major Revisions:

See Attachment 1.

For questions specific to your file or products contact your CSA Group technical staff associate.

Go to <http://www.csagroup.org/services/testing-and-certification/product-listing/> and enter your Master Contract # and the class numbers associated with this Notice to determine which of your products are affected.

or e-mail don.lee@csagroup.org

The standard edition or amendments announced in this Notice may be used for certification as of the date of issue of this Notice. The "Effective date" in this Notice is the date on which the current requirements, applicable to Certified products listed in the affected class numbers, expire and the standard edition or amendments announced in this Notice become the only requirements that may be used for certification.

In the event that currently certified products do not comply with the latest requirements outlined in this Notice after the "effective date", the certification of such models may be discontinued.

Visit us at www.csagroup.org where you can click on "Contact Us" for the online phone listing of our Offices and Partners.

ATTACHMENT 1

Major Revisions

Clause(s)	Changes	File Review Required
