2. Please contact CSA technical staff if you have questions or need information concerning this publication and how it applies to you.
3. If you would like to arrange for an evaluation of new products to the revisions, initiate a certification project by contacting our Client Services Centre at 1-866-797-4272. Please supply appropriate supporting documentation\*. If testing is needed, we will inform you of the samples required.

\*which includes technical information, company name, address, factory locations and CSA file

number or master contract number (if assigned), and any other relevant documentation.

## Approvals:

Revisions published August 20, 2018 have been incorporated into UL 1278 (4th Edition), Moveable and Wall- or Ceiling-Hung Electric Room Heaters.

All new applications and updates to currently Certified product will be evaluated to the revised requirements detailed in the "Major Revisions" section below.

## Major Revisions:

1. Sec. 2.1.2 was added clarifying the requirements in UL 1278 are only based on heater operation when it is manually placed by the user. The heater shall not be capable of moving autonomously or by remote control from the original location in which it was placed by the user.
