

CERTIFICATION Notice

An Urgent Bulletin from CSA Group

Food Equipment Sanitation No. 34

Effective Date: May 16, 2019

Date: November 5, 2018

Apply Before March 16, 2019

Announcing: Publication of NSF/ANSI 5 - 2016, Water Heaters, Hot Water Supply Boilers, and Heat Recovery Equipment

Class No: 2831 72, HEATERS - Cooking and Liquid - Water Heaters (Sanitation) - Certified to NSF/ANSI Stds 2902 71, HOT WATER HEATERS - Water Heating Equipment (Sanitation) - Certified to NSF/ANSI Stds

Who is affected?

Manufacturers of water heaters, hot water supply boilers, and heat recovery equipment.

What do you do?

1. The revisions outlined in this Certification Notice will not require testing, but will require updates to your Certificate(s) of Compliance & Report(s). CSA Group Service Delivery staff will contact you to address compliance with each revision as applicable to the product designs covered in your affected Certification Reports.
2. Please respond within thirty (30) days of receiving CSA Group's "Application for CSA Certification Services" and "Quotation" communication. You must respond no later than March 16, 2019 in order to guarantee the update

to your certification is completed by May 16, 2019.

Approvals:

This Standard was prepared by the NSF Joint Committee on Food Equipment. It was adopted by the NSF International Board of Directors, and Designated as an ANSI Standard on January 28, 2016.

Major Revisions:

Clause 6.1 is revised to include performance requirement when inlet water temperature is 15 °F lower than the outgoing water temperature. Clause 7 is modified to include efficiency rating to establish compliance with national energy requirements. Clause 8 is modified to include instructions for installation, operation, and maintenance.

For questions specific to your file or products contact your CSA Group technical staff associate.

Go to <http://www.csagroup.org/services/testing-and-certification/product-listing/> and enter your Master Contract # and the class numbers associated with this Notice to determine which of your products are affected.

or e-mail Gulzar.Rism@csagroup.org

The standard edition or amendments announced in this Notice may be used for certification as of the date of issue of this Notice. The "Effective date" in this Notice is the date on which the current requirements, applicable to Certified products listed in the affected class numbers, expire and the standard edition or amendments announced in this Notice become the only requirements that may be used for certification.

In the event that currently certified products do not comply with the latest requirements outlined in this Notice after the "effective date", the certification of such models may be discontinued.
