Apply any time to have your products evaluated

Announcing: Publication of NSF/ANSI 2 - 2015 Food Equipment

See Attachment 1 for affected Class Numbers.

Who is affected?

Manufacturers of food equipment.

What do you do?

1. This publication outlines certification revisions that do not affect your currently certified product designs.
2. Please contact CSA technical staff if you have questions or need information concerning this publication and how it applies to you.
3. If you would like to arrange for an evaluation of new products to the revisions, initiate a certification project by contacting our Client Services Centre at 1-866-797-4272. Please supply appropriate supporting documentation*. If

testing is needed, we will inform you of the samples required.

*which includes technical information, company name, address, factory locations and CSA file number or master contract number (if assigned), and any other relevant documentation.

Approvals:

CSA Group is pleased to announce certification to NSF/ANSI 2 – 2015 Food Equipment. This standard was prepared by the NSF Joint Committee on Food Equipment. It was adopted by the NSF International Board of Directors in June 2016

Major Revisions:

See attachment 2
