To purchase the Standard, visit us at www.shop.csa.ca

Who is affected?

Manufacturers of face protectors for use in lacrosse.

What do you do?

1. This publication outlines certification revisions that do not affect your currently certified product designs.
2. Please contact CSA technical staff if you have questions or need information concerning this publication and how it applies to you.
3. If you would like to arrange for an evaluation of new products to the revisions, initiate a certification project by contacting our Client Services Centre at 1-866-797-4272. Please supply appropriate supporting documentation*. If testing is needed, we will inform you of the samples required.

*which includes technical information, company name, address, factory locations and CSA file number or master contract number (if assigned), and any other relevant documentation.

Approvals:

This Standard was prepared by the Subcommittee on Face Protectors for use in Ice Hockey, Ringette, and Lacrosse, under the jurisdiction of the Technical Committee on Equipment and Facilities for Ice Hockey and the Strategic Steering Committee on Community Safety and Well-Being, and has been formally approved by the Technical Committee.

Background and Rationale:

This Inform announces the publication of Z262.8-15, Face protectors for use in lacrosse (Errata- August 2017). The Errata corrects Figure 6 in the standard.

For questions specific to your file or products contact your CSA Group technical staff associate.

Go to <http://www.csagroup.org/services/testing-and-certification/product-listing/> and enter your Master Contract # and the class numbers associated with this Informs to view your certified products.
