Announcing: Publication of Standard CSA C22.2 No. 308-14 Cord Reels and Multi-outlet assemblies

Class No: 5842 06, CORD SETS - Cord Reels

To purchase the Standard, visit us at [www.shop.csa.ca](http://www.shop.csa.ca)

## Who is affected?

Manufacturers of Cord reels and multi-outlet assemblies.

## What do you do?

1. This publication outlines certification revisions that do not affect your currently certified product designs.
2. Please contact CSA technical staff if you have questions or need information concerning this publication and how it applies to you.
3. If you would like to arrange for an evaluation of new products to the revisions, initiate a certification project by contacting our Client Services Centre at 1-866-797-4272. Please supply appropriate supporting documentation\*. If testing is needed, we will inform you of the samples required.

\*which includes technical information, company name, address, factory locations and CSA file number or master contract number (if assigned), and any other relevant documentation.

## Introduction:

This announces publication of the first edition of CSA standard C22.2 No. 308-14, *Cord reels and multi-outlet assemblies*. The requirements were originally published in Annex D of CSA Standard C22.2 No 21-14, Cord sets and power supply cords. The requirements have now been republished in CSA Standard C22.2 No. 308-14. Manufacturers of currently certified cord reels and multi-outlet assemblies are not required to reapply. New certifications and updates to current certifications will be assessed in accordance with C22.2 No. 308-14.

For questions specific to your file or products contact your CSA Group technical staff associate.

Go to <http://www.csagroup.org/us/en/services/testing-and-certification/certified-product-listing> and enter your Master Contract # and the class numbers associated with this Informs to view your certified products.
