What do you do?

1. CSA Group Service Delivery staff will contact you to address compliance with each revision as applicable to the product designs covered in your affected Certification Reports. In addition to updates to your Certificate(s) of Compliance & Report(s), testing may be required to comply with these revisions.
2. Please respond within thirty (30) days of receiving CSA Group's "Application for CSA Certification Services" and "Quotation" communication. You must respond no later than January 1, 2017 in order to guarantee the update to your certification is completed by July 30, 2017. If testing is needed, we will inform you of the samples required.

Approvals:

This announces the publication of CSA Standard C22.2 No. 222-16 Type FCC Undercarpet Wiring Systems. This is the second edition which supersedes the previous edition of C22.2 No. 222-M1986 (R2013) and General Instruction No.1.

Major Revisions:

The revisions in C22.2 No. 222-16 will require resubmission of currently certified Type FCC Undercarpet Wiring Systems for review to the new requirements in C22.2 No. 222-16 in order to maintain certification after the effective date. The major change to the standard is to the cold impact test which will need to be performed at -25C instead of -18C.
